

PRESS RELEASE

September 18, 2009

Federal Transportation Grants

The City of Memphis Divisions of Public Works and Engineering will hold a Title VI Public Meeting, co-hosted by the Coalition for Livable Communities on September 24, 2009, from 5:30pm to 8:00pm, in Room C, Hooks Central Public Library, 3030 Poplar Avenue. This meeting will present the proposed transportation projects to be funded under the American Recovery and Reinvestment Act (ARRA), Surface Transportation Program (STP) and Congestion Mitigation / Air Quality (CMAQ) grants. It will provide an opportunity for public input on the proposed projects. The meeting will feature location map displays of repaving, traffic signal interconnect, curb ramp, railroad signs/markings, bridge repair and bridge guardrail safety projects which are to utilize federal transportation grant funds. The proposed projects are:

ARRA Repaving Groups 1-5
ARRA Bridge Guardrail
ARRA Winchester Tunnel Repair
ARRA Sam Cooper/RR Bridge Repair

STP Repaving Groups 1-3
STP Guardrail Attenuators
STP ADA Curb Ramps
STP Railroad Signs/Markings
STP Signal Coordination
STP Shelby Drive Signal Coordination
STP East CEI Signal Coordination
STP NW Signal Coordination
STP Poplar/Germantown Signal Coordination

CMAQ Year 1 Signal Coordination
CMAQ Year 2 Signal Coordination
CMAQ Year 3 Signal Coordination

Public Works and Engineering Division staff will be available to answer questions. For additional information contact:
